

Asma ul Ashaabil Badr

Names of the Companions of Prophet (saws) in the Battle of Badr

The Battle of Badr called Ghazwatul Badr in Arabic, took place on 17 Ramadan 2 A.H, (13 March 624 C.E) in the Hejaz region of the Saudi Arabia. The beloved Prophet Muhammad (saws), peace and blessings of Allah be upon him, together with 313 of his Sahaba (Companions) and angels sent by Allah defeated about 1000 better armed of the tribe of Quraysh.

Why the Ashab ul Badr were 313?

There were total of 124,000 prophets from Adam (as) to Muhammad (saws) being the *Khatim Nabiyeen* (the last of the Prophets). 313 of the prophets were called Rasuls (Messenger) who had received Wahi (Revelation) from Allah. The rest of the prophets were called Nabi – Prophets. The 313 Ashab "Badri" spiritually represent the 313 rasuls (messengers). There are also 124,000 Awliya Allah (saints) on earth at any given time and 313 of them are taking from the 313 Ashab ul Badr.

The Names of the Asma Ashabul Badr (the names of the Companions of the Prophet (saws) from the Battle of Badr) are so sacred that Allah (AJ) accepts supplications in token of their piety. We should also remind ourselves that also their names are *Jalali* (Majestic). They need the *Jamal* (Beauty) of *Salawat* (Invocation of Blessings) to cool them. So before we recite these names, and after completing the recitation, it is recommended to recite Durood Shareef 100 times. Or instead, we can recite Qasidah al Burda. Once we have recited the *Salawat*, we can come to the Asma Ahlul Badr.

Please recite Sayyidina before each name and (*Radi Allahu Ta'ala 'Anhu*) (Allah is Pleasued with Him) after each name.

Allahumma salli 'ala Sayyidina Muhammadin wa 'ala aali Sayyidina Muhammadin wa Sallim.

Allahumma Agithna ya Giyath al Mustaghithen bi Haqqi...

O Allah! Send Peace and blessings upon Muhammad and upon the Family of Muhammad (Peace be Upon him).

O Allah! O The Succour of those who seek help, save us for the sake of...

O Allah! O The Ever Living, O the Self Existing by Whom all subsist, O The Responder, O The Giver, O The Loving One, O The Reckoner, O The Knower of mysteries, O The Creator of night and day.

I beg of you for the sake of Your Most Beautiful Names, and the mystery of the Glorious Qur'an, and for the sake of Your Chosen Prophet Muhammad, on him be the choicest blessings and complete peace, and for the sake of the noble warriors of the Battle of Badr, that You help the religion of Islam and fulfil all our needs. O The Most Merciful of those who show mercy. Aameen!
