

CIL Youth Curriculum Overview

Assalamu Alaikum (Peace be upon you),

CIL (Certificate of Islamic Learning) Youth is an Islamic school for primary and secondary school children run by the High Wycombe Mosque. We are committed to providing a unique and comprehensive educational experience that goes beyond traditional academic learning. Here's a brief overview and some key aspects that students will learn::

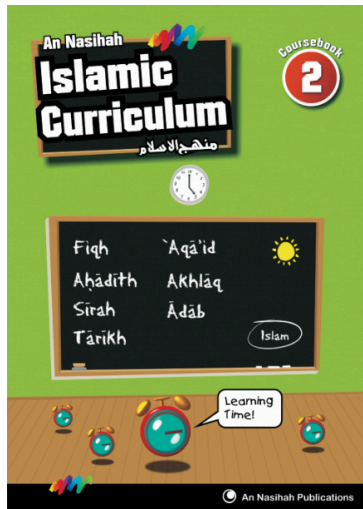

1. **Strong Foundation in Islamic Values:** CIL Youth provides a structured environment where children can develop a deep understanding of Islamic values, morals, and ethics. They will learn about the principles of compassion, honesty, patience, and respect for others, helping them become better individuals and responsible members of society.
2. **Prophetic Traditions:** Children will be introduced to the Sunnah (traditions) of the Prophet Muhammad (peace be upon him), learning about his character, actions, and teachings. This knowledge can inspire them to emulate his noble qualities and virtues.
3. **Islamic Studies and History:** Through the curriculum, students will gain a comprehensive understanding of Islamic history, culture, and civilization. They will learn about the contributions of Muslim scholars and thinkers, fostering a sense of pride in their Islamic identity.
4. **Prayer and Worship:** CIL Youth provides an environment where children can learn the importance of their five daily prayers (Salah). Instilling a strong prayer routine at a young age builds a lifelong habit of connecting with Allah and seeking His guidance.
5. **Community:** Students will interact with peers who share similar values, forming strong friendships and bonds based on Islamic principles.
6. **Islamic Morals in Daily Life:** The school emphasises the application of Islamic morals in daily situations, teaching children how to deal with challenges, conflicts, and decisions from an Islamic perspective.
7. **Islamic Holidays and Celebrations:** Students will learn about Islamic holidays and celebrations, understanding their significance and commemorating them with greater appreciation and knowledge.
8. **Tolerance and Interfaith Understanding:** CIL Youth promotes interfaith dialogue and tolerance, helping students understand and respect diverse cultures and beliefs while strengthening their own faith.

By enrolling your child at CIL Youth, you are providing them with an exceptional Islamic educational experience that not only equips them with knowledge but also helps them become confident, compassionate, and responsible Muslims.
